

# For Seniors Only!

Dear Parents of Seniors,

What better way to pay special tribute to your child than with a senior ad in the TCHS all-color *Track of the Cat* yearbook to tell them how proud you are of their achievements and to wish them well in their future endeavors in life. Gather up those special pictures that have meant so much to your family—we will put them in the yearbook! A Senior Ad is a lasting keepsake they will have forever. Our yearbook is in full color! We can enlarge and/or shrink all of your pictures to fit the ad space you have purchased.

## SENIOR SALUTE ADS

### How do you reserve a space?

Send in your payment to The Colony High School, 4301 Blair Oaks, The Colony, TX 75056  
**attention: Ms. Janet Shideler, yearbook adviser.**

Make checks payable to The Colony High School. You can design your ad by Oct. 30!

**The ad deadline is Oct. 30, 2009, for  
purchasing and designing all senior ads!**

### How do you design an ad?

Come by the yearbook room K114, (10:30-2 p.m. and after school) and the ad will be designed with you. Please call (469-948-2543) or email me ([shidelerj@lisd.net](mailto:shidelerj@lisd.net)) to let me know what day you are planning to come to school, so I will know when to expect you. Or, send your pictures and what you want said, and the yearbook staff will design the ad. We will scan your pictures in order to digitally place them in the ad, or bring in your pictures on a CD or flash drive. The pictures can also be e-mailed to me at [shidelerj@lisd.net](mailto:shidelerj@lisd.net). The senior ads are designed to fit with our yearbook theme and style for the year.

\*\*\*We are no longer accepting parent/student pre-designed ads since we have had problems with this method in the past.

Note: ads fill up quickly. Reserve your spot; send in your payment as soon as possible. The ad can be designed anytime before the end of October, 2009.

**\*\*\*Please add \$10 extra for each additional senior if you have a group ad.**
